Classic Fill From Stairway to Heaven

This fill creatively applies the hybrid rudiment, the herta, around the toms and bass drum for an explosive, instantly recognizable drum fill. In the excerpt below, we've provided the grooves leading up to the fill to make the context clearer.

The musical notation shows two systems of drum notation. The first system, labeled '122', shows a hybrid rudiment pattern (X's) over a bass drum and snare groove. The second system, labeled '126', shows a 'herta' fill (R L R) and a triplet (3) leading into a final groove.

Stairway To Heaven Led Zepplin
Heavy Pk. Rock 2 = 77 - 102
