

Smells Like Teen Spirit - Fill & Beat

By Alex Ribchester

In this week's lesson, we have got the opening fill and drum beat for Nirvana's biggest hit 'Smells Like Teen Spirit' with Dave Grohl on drums. The fill is nairly simple with some heavy flams on beats 1, 2, 3, and 4. The groove is a great beat to play. The main challenge will be playing the 16th note patterns with the kick and snare, while playing 1/4 notes on the hi hat.
