Drum Fill Improv Practice Template 2

Use this template to practice improvising drum fills. Many drummers struggle with improvising (or making things up on the fly), but improvisational techniques can be practiced and developed. In the notation below, play any drum beat (which is represented by the slashes), and play drum fills for the beats underneath the "drum fill" brackets. Start simple – maybe some easy 8th note fills – and then work your way to more advanced patterns.

Drum notation for the first row. It consists of a single staff with a 4/4 time signature. The first three measures contain slashes representing a drum beat. The fourth measure is enclosed in a bracket labeled "Drum Fill".

Drum notation for the second row. It consists of a single staff with a 4/4 time signature. The first three measures contain slashes representing a drum beat. The fourth measure is enclosed in a bracket labeled "Drum Fill".
