

Steve Gadd Inspired Drum Lick

By Alex Ribchester

In this week's lesson we have got a Steve Gadd inspired drum lick with a paradiddle style sticking pattern. Beat 1 consists of solid 32nd notes, beat 2 is all 16th notes and you can play whatever you like for beats 3 and 4. You can also repeat the pattern a few times over for a great sounding drum fill.

Beats 1&2

R L R R L R R L R L R K

Basic ending for beats 3&4

Double up the idea for a single measure drum fill. Also includes open hi hats on beat 1&3
