## Tom Groove from Valentine's Day

The intro drum beat to Linkin Park's song Valentine's Day is a great groove to practice. You get practice keeping the left foot hi-hat going on the quarter notes. You also work on the technique of playing the right stick on only the "&s."

In the accompanying video lesson, I demonstrate a number of ways to use the concepts in this groove to create new things. Be sure to check the video lesson out and explore your own ideas around the kit.
