For this week's lesson we have got a cool sounding crossover drum beat around the kit. We start off by learning beats 1, 2, and 3 with a simple quarter note on beat 4. When you have that down, we mix things up with variations on beat 4 to create some interesting multiple measure loops. Try the examples down below and then get creative with your own variations. Have Fun!

**Basic Groove Playing Up Until Beat 4**

```
1 e + a 2 e + a 3 e + a 4
