

Echoing The Snare – And Other Techniques Applied

This lesson shares the technique of echoing the snare, which is playing a ghost stroke after the snare drum stroke to create an “echo” effect. The beats that follow apply techniques taught in previous lessons in order to “build” the beat.

Foundational Groove

1

Add Sixteenth-Note Phrasing on the Bass

2

Apply the Open Hi-Hat Technique

3

Apply the “&” from the “Throw an & at Your 4” Drum Lesson

4

Use Ostinato Cheat from the “Easy Ostinato Cheating” Drum Lesson

5

Apply the Technique of “Stopping Short” from the “Stopping Short” Lesson

6
