## Exploring Rhythm Reader

This lesson explores some of the rhythms from Dawn Richardson's latest release, "Rhythm Reader." These foundational rhythms can be explored around the kit to create rockin' drum fills and beats. Whether you're using this ebook to solidify your sight reading skills, basic note-value understanding, or to build your own fills and beats, you're sure to have fun with this one!

You can find the video lesson accompaniment to this sheet music here: [Exploring Rhythm Reader Lesson](#)

More information about Dawn's new book can be found here: [Rhythm Reader - Ebook](#)
