

# Dirty Pink – Drum Beat

Dawn Richardson shares her groove from “Dirty Pink” by Mental 99. In this groove, the right stick accents the 8<sup>th</sup> notes lightly. In other words, every other hi hat stroke stands out to create a groove feel. Dawn also plays this beat while holding a shaker with her right hand. Be sure to check out Dawn's video lesson accompanying this sheet music on [OnlineDrummer.com](http://OnlineDrummer.com).
